Technical Details

DJ Alectro Productions provides all necessary equipment relevant to the services offered, including loudspeakers and other pro audio equipment, IT equipment, and power distribution. In order to power the equipment, DJ Alectro Productions will require access to at least one standard power outlet capable of supplying up to 1,300 watts. This is standard for modern homes and is not any concern, unless the venue is an old building and/or other high-powered equipment, such as a large TV, is being powered on the same circuit. Power cables and extension cords included.

Financial Details

A total price will be calculated for each event. In addition to the prices quoted, the following fees may be accrued incurred. Extra Time will be charged at \$150 per hour or partial hour in excess of the duration quoted. Events cancelled with 7 or fewer days notice will be charged a Cancellation Fee of \$30 for each day past, including 50% of the total event price. (If an event scheduled for the 10th is cancelled on the 9th, the total late fee charged would be \$180). A Travel Fee of \$30 will be applied after every 20 miles driven while travelling to and from the Venue.

Musical Preferences

Unless specifically requested in advance by the Client and allowed by the Venue or if the event is 18 and below, explicit music *will* be played. You may request a genre of music and specific songs, upon live event which will be fulfilled whenever possible.

Damages and Liability

DJ Alectro is covered under full liability, property and library insurance. Client agrees to pay for any damages which occur at the Venue in association with the Event under personal negligence. Damages includes, but is not limited to, physical damage to equipment, injury to Dj Alectro personnel, as a result of any activity related to the Event. Client also agrees to hold blameless Dj Alectro Productions and all related personnel for any and all damages and injuries which occur in association with the Event.
